Dear Staff,

I would like to take this opportunity to introduce my company to your school staff for future student group tour travel planning. I have over 28 years of experience in the motor coach group travel industry. I have contract access to school approved charter bus companies in our area with the ability to assist your staff in the planning of day field trips as well as multiple day travel events. Should your school require multiple coaches or multiple day events, I can fulfill your transportation needs. I am a full service motor coach tour operator, and I am able to secure all of the required hotel accommodations, attraction bookings, including managing all of the deposit and final payment requirements.

I am available to schedule appointments with your staff to customize all student travel needs.

I look forward to hearing from your staff for any travel needs they may have for the 2017-2018 school year!

Sincerely,

Renee' W. Crawford, Owner
